Introduction

Thank you for choosing AmTrust Underwriting Limited.

This Travel and Personal Accident insurance policy sets out the insurance protection in detail.

The premium has been calculated on the basis of the extent of cover **You** as the **Group Policyholder** have agreed with **Us** which is specified in the **Schedule**, the information **You** have provided and the declaration **You** have made. Please read the policy and the **Schedule** carefully to ensure that the cover meets the requirements of the **Insured Person(s)** and **You**.

Please take the time to read all these documents to make sure that the cover meets **Your** needs and that **You** understand the terms, exclusions and conditions. Please contact **Your** insurance intermediary if **You** have any questions or if **You** wish to make adjustments.

This policy consists of individual sections. **You** should read this policy in conjunction with the **Schedule** that confirms the sections insured and for any endorsements altering the cover as this gives precise details of the extent of the insurance protection in force.

You agree to make available a copy of this policy to any **Insured Person** who is eligible to make a claim under this policy.

This policy is administered by AmTrust Underwriting Ltd, in accordance with the authority granted under a binding authority agreement with **Us**.

The Contract of Insurance

The policy wording, the information **You** have provided and/or the application form/statement of fact, the policy Schedule, or notice issued by **Us** at renewal and any endorsements together form the contract of insurance between **Us** and **You**, and must be read together.

In return for **You** having paid or agreed to pay the premium, **We** will provide the cover set out in this policy, to the extent of and subject to the terms contained in or endorsed on this policy.

Important

This policy is a legal contract. **You** must tell **Us** about any material circumstances which affect **Your** insurance and which have occurred either since the policy started or since the last renewal date.

A circumstance is material if it would influence **Our** judgement in determining whether to provide the cover and, if so, on what terms. If **You** are not sure whether a circumstance is material, please ask **Your** insurance intermediary who arranged this insurance. If **You** fail to tell **Us** it could affect the extent of cover provided under the policy.

You should keep a written record (including copies of letters) of any information **You** give **Us** or **Your** insurance intermediary when **You** renew this policy.

Breach of Term

We agree that where there has been a breach of any term (express or implied) which would otherwise result in **Us** automatically being discharged from any liability, then such a breach shall result in any liability **We** might have under this policy being suspended. Such a suspension will apply only from the date and time at which the breach occurred and up until the date and time at which the breach is remedied. This means that **We** will have no liability in respect of any loss occurring, or attributable to something happening, during the period of suspension.

Terms not relevant to the actual loss

Where there has been non-compliance with any term (express or implied) of this policy, other than a term that defines the risk as a whole, and compliance with such term would tend to reduce the risk of:

- loss of a particular kind, and/or
- loss at a particular location, and/or
- loss at a particular time,

then **We** agree that **We** may not rely on the non-compliance to exclude, limit or discharge **Our** liability under this policy if **You** show that non-compliance with the term could not have increased the risk of the loss which actually occurred in the circumstances in which it occurred.

Change of policy cover

The cover provided by this policy is reviewed annually and **We** may change these on any anniversary of the **Period of Insurance** with the **Group Policyholder**.

We will only amend the premium or terms and conditions of this policy at any other time in order to reflect a change to an **Insured Person's** circumstances, or in the event of a change in the law affecting this policy, e.g. an increase in Insurance Premium Tax or other tax.
