5 Reasons to Choose Nacel English School London

Officially top-rated education

We are a top-rated ISI (Independent Schools Inspectorate) School, achieving the maximum grading possible in all categories of the inspections. In the independently run ISI on-line survey 98% of our students rated us excellent. Our focus is always on academic achievement and we are very proud of our high exam pass rate.

Excellent value for money

We offer the highest quality yet our prices are affordable. We pride ourselves on offering excellent value for money!

Ideal location

We are located in a safe, convenient and desirable residential area of London, with great public transport links to discover this great city. Our students are always at the heart of the London social scene. Nearby high quality residential and host family accommodation.

Great, convenient accommodation

The majority of our host families are located within walking distance, or a short bus/underground journey away (maximum 4 underground stops.) Families are regularly monitored, ensuring our high standards are maintained. Modern Residential Halls are also available.

Interactive social programme

Our weekly social activities are teacher-run and led to ensure they are academically orientated, allowing students to maximise their English language and cultural learning potential in a fun and interactive environment.

Unforgettable Experience

Afternoon activities are more than just sightseeing trips around London – they are outdoor lessons, where students maximise their language and cultural learning potential in a fun, enjoyable and interactive environment!

English Cultural Language Programme for Mature Students

A specific programme for mature adults who wish to improve their English while experiencing London and meeting new people.

The students will learn practical English that will ease their future visits abroad. A fantastic opportunity not to be missed!

English + Coding Courses

- Android and iOS App Development with App Inventor, Swift and Xcode
- Python Programming - one of the most versatile programming languages
- Game Development with Java
- Tech Entrepreneurship

Learn English in the morning and develop vital digital skills in the afternoon. These courses are targeted at students of all coding abilities, from beginners who are coding for the first time, to established computer programmers. Each week students will start and finish a project. This course is available to all ages, it's especially popular with teenagers and young adults. It's Fun and Practical!

Closed Groups for Juniors and Adults

We work closely with groups to provide tailor made packages specific to their needs and budgets. We accept adult and junior closed groups all year round. Please enquire.
