This Summer Programme is great! I can't believe how much I have learnt in such a short time! My favourite lesson was at the Bank of England, as it was so interesting. I also loved seeing the Royal Family at Madame Tussauds.

I stayed with a host family who were so friendly and helpful. I feel really happy.

Kanami Miyadera

This summer course enabled me to meet and speak English with many people, which really improved my confidence. It's a very practical course, and I learnt a lot of new vocabulary and grammatical structures; not only in the classroom, but also outside the classroom visiting London.

I got to visit the famous sights of London, learn about the history of the city, and practise my English. I was able to see London from a different perspective! It has been great fun, I really enjoyed it!

London is a great place to study. We had lots of activities to do outside; in museums, markets, and famous locations, and I've learnt so many new words and phrases. This course made learning English fun!
