Residential, Shared Houses, Serviced Apartments, Hotel:

17. Accommodation fees are payable in advance. The School has to be in receipt of all monies at least 4 weeks before the start of the course.
18. We will check the availability of the accommodation at the time of booking, but it can only be guaranteed once full payment has been received and we issue the accommodation re-confirmation letter.
- To avoid unnecessary costs to the student, we recommend that re-confirmation of the residential accommodation is issued only once the visa to the UK has been granted and the arrival flight details have been received. Alternative accommodation, such as host family, another residential hall, or a refund will be offered to the student in case the residential accommodation originally chosen is no longer available for the dates requested. In this case, if payment has been received, we will do our best to hold the accommodation for as long as possible. All bookings are subject to availability at the time of confirmation.
19. The Halls of Residence charge by the full week (7 nights), i.e. Saturday-Saturday, Sunday-Sunday. As stays must be from weekend to weekend, additional nights which extend beyond a Sunday night cannot be pro-rated and will be rounded up to the next full week.
- Students are liable for any damage that they cause to their accommodation. A refundable deposit may be asked by the residence.
20. All students will have to follow their accommodation's specific rules and are subjected to the terms and conditions of the accommodation provider. Residential Accommodation is not directly provided by Nacel English School London. We do not own or operate any of the residential accommodation. We only book the accommodation on behalf of the student and cannot be responsible for any third party providers.
- We cannot be held liable for any damages, claims, liabilities, costs, losses (including indirect and consequential losses) or accidents incurred or suffered by students or to their property. Health and Travel Insurance must be taken out by all students.
21. Relocating Students at the Request of a Residence.
- In the case of a residence requesting that a student be relocated as a result of the student's behaviour being deemed "unacceptable" or due to the incompatibility of the student with others in the accommodation, Nacel English School London will do its best to relocate the student to a suitable similar accommodation, subject to availability. Should similar accommodation not be available, the School will relocate the student to the nearest alternative accommodation. The School will not be held responsible, financially or otherwise, for any inconvenience caused to a student as a result of relocation for reasons of "unacceptable behaviour" or compatibility, nor will the residence be liable to pay for any expenses (e.g. transportation costs incurred as a result of such a move being necessary).
22. All students have to ensure that they thoroughly understand what to expect, what is expected of them and what is not acceptable behaviour. If a student has any queries regarding the residential accommodation or what is expected of them or their behavior, they must ask for clarification.
23. For group bookings additional terms and conditions may apply.
24. Residential rates may be subject to change without notice.
25. Students may have to present their passport (or valid ID) on arrival at the residence and the residence may keep a copy.

FOR ALL ACCOMMODATIONS AVAILABLE THE FOLLOWING APPLY:

26. Accommodation refunds (after arrival) and where granted may take between 3 – 5 weeks to process once full documentation has been received. Refunds cannot be processed until the School is in receipt of all monies owed. Refunds can only be given once the student has left the accommodation.
- 27. Students are liable for any damage that they cause at their accommodation.**

28. Students are expected to respect their host family or any other accommodation; any behaviour deemed unsatisfactory may result in accommodation being terminated and no refund being granted.
29. Cancellations: Cancellation of a booking cannot be accepted unless received in writing (e-mail). It will take effect from the 1st working day received by Nacel English School London (the school is closed at weekends, bank holidays and 2 weeks during the Christmas holidays).
30. Nacel English School London may, at our discretion, assist a student who may get into a dispute with an accommodation provider. However, we shall not thereby be liable or become liable in any way in connection with such matter.

ATTENDANCE

36. Students are expected to attend all their lessons. Any absence should normally be only for illness or authorised holidays. It is the responsibility of the student to inform the School of illness or other reasons for absence immediately. Students with poor attendance may be removed from the register.
37. Course extensions or refunds will not be given for absence due to illness or any other reasons.
- 37a. Students who are absent for more than ten consecutive days and who fail to contact the School, may be removed from the register.
- 37b. Any student who has been issued with a CAS and obtained a Student Visa must comply with the regulations laid down by the UK Visas and Immigration. Please note that the UK Visas and Immigration treats unauthorised absence of 10 consecutive days from School as a failure to comply with the requirements of their Student Visa. This will result in a withdrawal of the student's right to remain in the UK. The School is required to report this absence to the UKVI.
38. Students have a responsibility to arrive punctually. Late arrivals are very disruptive to classes and entry is at the discretion of the School. Persistent lateness without good reason may result in expulsion. In this instance no refund will be given.
39. To cancel or re-arrange a one-to-one lesson, students must give 24 hours' notice. No refund or re-arrangement will be given for non-attended classes or when less than 24 hours' notice is given.

TIMETABLING

40. The School reserves the right to rotate teachers or appoint new ones; change times or rooms and combine classes if necessary.

COMPLAINTS

41. Queries and complaints should be brought to our attention immediately in order for us to deal with them. Complaints received after the course has finished cannot be considered.
