High Academic Results

Top academic results and high student satisfaction – we are frequently recommended by our students to their friends and family. In an independently run ISI survey, 98% of our students rated us as excellent and we have an overall rating of 4.9 stars on Google. Our focus is always on academic achievement and we are very proud of our students' high exam pass rate.

Excellent value for money

We offer the highest quality of education yet our prices are affordable. We pride ourselves on offering excellent value for money!

Excellent location

Located in a safe, convenient and desirable residential area of London, with great public transport links to explore this great city. Our students are always at the heart of the London social scene.

New School Building

In 2022, we opened our new school building located at our original site, which offers modern, high standard facilities to our students including spacious classrooms, a student common area, a study-library room, a café for students to meet the locals and much more!

Great, convenient accommodation

Host Family accommodation: The majority of our host families are located within walking distance, or a short bus or underground journey away (normally a maximum of 4 underground stops). Families are regularly monitored, ensuring our high standards are maintained.

Residential / Shared Student accommodation: We offer a varied choice of conveniently located residential accommodation to cater for every need. Our newly renovated, high standard Nacel Student House opened in 2023; all rooms are en-suite and it has well-equipped communal areas.

Interactive social programme

Our weekly social activities are teacher-run and led to ensure they are academically orientated, allowing students to maximise their English language and cultural learning potential in a fun and interactive environment.

Personal Attention

We care about and get to know each student well – their health, safety and educational development is our priority. You can expect fun interactive lessons, daily homework, periodic testing, one-to-one tutorials to track and discuss your development and mock exams to ensure that you are fully prepared for internationally recognised English exams.

Teacher Training

General English Courses & Exam Courses (IELTS, FCE, CAE, CPE and others)

Our courses adopt a comprehensive, communication-based teaching method, maximising all-round development of the English language systems (pronunciation / vocabulary / grammar), and skills (listening / speaking / reading / writing). Students' progress is continuously monitored, including regular one-to-one tutorials and regular testing and exam practice.

Our exam students can also take practice exams at the school as well as receive personalised feedback and guidance so as to optimise their exam performance and result.

We also ensure students put into practice the language and grammar taught in order to build their confidence and consolidate learning.

We are an achievement-orientated school, and for this reason all our English Language and Exam Courses are priced the same, as we encourage all our students to take internationally recognised exams.
