

INTERNATIONAL SUMMER CAMP

High Quality Education
with Personal Attention

www.nacelesl.co.uk

Highlights of the camp

Great location, less than 30 minutes from central London, facilitating cultural London visits and activities – two afternoons and one full day per week in central London.

Our enjoyable and fun activities, sports, and excursions are led by our professional Nacel camp leaders, working alongside our qualified EFL Teachers. We employ our Semi-Realia method to encourage students' English communication beyond the classroom. For each activity or visit, the students receive a relevant vocabulary handout along with historical information to enhance learning and promote linguistic integration, all while having a great time using the English language in real-life situations.

We also organise House Groups according to age and mix nationalities, not only to develop students' teamwork but also their English communication, sense of unity and other essential life skills.

The camp is run by Nacel English School London, a British Council accredited English school based in North London, which has been training junior and adult students for over 30 years. Nacel English School is a part of the Nacel International group, established in 1957.
